## **World War One: Canadian Home Front**

- 1) Mandatory military service called \_\_\_\_\_ created a great divide between English and French Canadians.
- 2) The \_\_\_\_\_ was caused by a French munitions ship colliding with another vessel in 1917. Over 2000 people were killed.
- 3) The \_\_\_\_\_ was introduced by Prime Minister Borden in 1917 and it required men 20-35 to provide military service.
- 4) Women who organized themselves to fight for the right to vote were called \_\_\_\_\_.
- 5) Someone who has claimed the right to refuse to perform military service due to freedom of thought, conscience, or religion is a \_\_\_\_\_.
- 6) The \_\_\_\_\_ granted the federal vote to mothers, sisters, and wives of soldiers in 1917.
- 7) Someone who believes international disputes should be peacefully resolved is a \_\_\_\_\_.
- 8) The government issued \_\_\_\_\_ to limit goods on the Home Front in order to support the war effort.
- 9) Proposed by Conservative Prime Minister Borden in 1917 and refused by Liberal leader Wilfred Laurier, the \_\_\_\_\_ won the most seats in the election; however, the Liberals won 57% of the popular vote.
- 10) People who participated in \_\_\_\_\_ chose to limit their consumption of butter and sugar to support the war effort.
- 11) A campaign launched by the Canadian Government where people could buy \_\_\_\_\_ to help finance the war effort and then cash these in at the end of the war for a profit.
- 12) \_\_\_\_\_ was introduced in 1917 for the first time to help finance the war. It was intended to be a temporary measure, but it still is in use today.
